### **Steven A. Nash Wins National Award**

Steven A. Nash, President and CEO of Stoddard Baptist Home Foundation in Washington, D.C., has been selected to receive the **2016 Dr. Herbert Shore Outstanding Mentor Award** from LeadingAge, a national association representing 6,000 nonprofit aging services and organizations throughout the United States.

The award honors Mr. Nash for his dedication, commitment and passion for mentoring others in the aging services field. Through his mentorship, Mr. Nash's mentees have become successful leaders and advocates for older adults and have expressed appreciation for his guidance, inspiration, insight and leadership that have allowed them to grow personally and professionally.

LeadingAge applauds Mr. Nash for enabling those that he has mentored to work and grow in various leadership roles at Stoddard, as well as volunteer leadership roles in our field. We join these individuals in recognizing him as an outstanding mentor -- a true gift to his organization and our field.

Mr. Nash will accept the award at the LeadingAge National Conference, which will take place during October 30 - November 2, 2016 in Indianapolis, Indiana.
