STODDARD'S MISSION:

“To form and sustain safe, viable and caring communities for those in need”.

D.C. LONGEVITY FUN RUN

In celebration of Older Americans Month, staff and residents of Stoddard Baptist Nursing Home (SBNH) and Stoddard Baptist Global Care (SBGC) participated in the **D.C. Longevity Fun Run** on Wednesday, May 26th. This city-wide, relay run was sponsored by Forest Hills of D.C. All of the nursing homes in the surrounding vicinity participated. Runners representing each participating nursing home had to run to the nearest nursing home facility and “pass the baton” to the next runner.

The relay run began at Forest Hills of D.C. at 8:00 a.m. and ended back at the start with a handoff of the baton to the President of Forest Hills of D.C. Two participants from SBGC were:

RESIDENT: Ms. Edna Grayson (101 years old), a pastor’s wife, “Your old girl”, is what she calls herself. She is a very sweet and very polite lady that always has a smile on her face. Always showing gratitude to the staff by saying, “Thank You.” She is well loved by her church members who send flowers and cards all the time.

RUNNER: Mr. Giovanni Mowatt was born and raised in the beautiful island of Jamaica. He attended Howard University after receiving an Athletic Scholarship in track and Field. He was the 2016 Jamaican Olympic Trial Champion over 1500 miles. Mr. Mowatt now serves his community as a Clinical Dietitian as he truly believes that eating healthy, reducing stress and exercising are the best ways to live a long healthy life.

In conclusion, the D.C. Longevity Fun Run was a motivated and successful event.
