Full Job Description

Registered Nurse for Quality Assurance

Stoddard Baptist Global Care commitment to patients starts with our commitment to our employees. We are dedicated to teamwork, employee development, and treating our diverse employee population with respect. Come experience a team and Care Forward approach to employee satisfaction.

We are looking for a Quality Assurance Nurse to join our team. We are seeking a passionate and dedicated Nurse with the desire to make an impact by caring for our residents and team members.

What we're looking for:

We are seeking to hire a self-motivated, efficient, responsible individual. If you have a passion for healthcare, this is the right opportunity for you!

In this position you will evaluate the quality of patient care. Monitor compliance with current laws, process improvements, and implementation of clinical best practices.

- Active **Registered Nurse** licensure without disciplinary infractions by DC Department of Health.
- Minimum of **5** years of Long-Term Care experience
- Must have a kind, patient and empathetic personality as well as a commitment to providing patients with the best possible care
- Must be a team player with a strong work ethic and the willingness to help where and when it is needed
- Up to date CPR and first aid certification
- Leadership and organizational ability
- Must display excellent verbal and written communication and interpersonal skills
- Must have the ability to deal tactfully with personnel, residents, family members, visitors, government agencies, and the general public
- Handle job responsibilities in accordance with the standards of the Company's Code of Conduct and appropriate professional standards and applicable state and federal laws

Essential Duties and Responsibilities

- Serve on the QA, safety, and leadership teams
- Interprets and implements quality improvement standards.

- Designs and implements quality improvement projects based on QI data collected and analyzed and based on the goals of facility and corporation.
- Monitors unusual occurrences, report follow-up procedures, and monthly and year to date comparisons.
- Assists the Department Heads in development and implementation of action plans.
- Assists the Administrator and Department Heads with records, form revisions, and policies and procedures related to quality improvement.
- Evaluates effectiveness of quality assurance program.
- Writes QA policies and procedures.
- Performs routine QA audits.
- Selects specific topics for review, such as problem procedures, prescription usage, falls, pressure ulcers, high risk cases, meal services, environment issues or other factors.
- Compiles statistical data and writes narrative reports summarizing quality improvement findings.
- Assists departments with the coordination of audit information and recommends appropriate data-gathering mechanisms, procedures, root cause analysis and development of action plans etc.
- Assists with the monitoring of unusual occurrences; incorporates these data into overall QA program & reporting.
- Actively participates in intradepartmental quality management teams; guides and assists team members, prepares reports, exhibits and analysis for the QA Committee.
- Performs all tasks and duties in an efficient and safe manner.
- Performs other related duties as assigned or as necessary. Remains flexible and adaptable in work schedules and work assignments as defined by departmental and facility needs
- On call rotation

Stoddard Baptist Global Care is located in the northeast quadrant of Washington DC. Close to New York Avenue and route 50. This makes for a quick and easy commute from many directions. Our facility includes assisted living, long-term care, and skilled nursing/sub-acute rehabilitations. We also have ventilator care with a respiratory therapist on-site.

Stoddard Baptist Global Care is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, national origin, disability, or protected Veteran status.
