# STODDARD LIVES

Quarterly Edition - April 2024

## STODDARD'S MISSION:

*“To form and sustain safe, viable and caring communities for those in need”.*

### Stoddard's Donations and Support to the Stewards of Hope Foundation, Inc.

The Stoddard Baptist Home Foundation, Inc. donated personal protective equipment, as well as wheelchairs from Stoddard Baptist Global Care to the Stewards of Hope Foundation, Inc. These donations will be used for the needed healthcare services that are provided in Africa.

The mission of the Stewards of Hope Foundation is to help those in need, which was founded on the belief that a little help can go a long way. The organization provides wheelchairs to empower individuals with disabilities, at no cost. They also provide food, cash assistance to widows, educational materials to children and other charitable items. The non-profit organization provides the necessary resources and support that every child, adult and community deserves.

The Stoddard Family is happy to give their support.

**Appreciation from the Stewards of Hope Foundation**

On behalf of the Stewards of Hope Foundation, I extend our sincere gratitude to the Stoddard Baptist Home Foundation for the donations of 30 cases of personal protective equipment (face shields and isolation gowns). These are much needed items to safely and effectively care for patients in the community and hospitals in Africa.

The Stewards of Hope Foundation, Incorporated is a 501(C)(3) non-profit organization. No goods or services, in whole or in part, were received in exchange for this contribution.

In the words of Cardinal Donald Wuerl, “We may not be able to eradicate all poverty, but that does not absolve us from our personal obligation to alleviate the suffering and poor condition of others.”

We look forward to your continued support and jointly serving those in need.

Sincerely yours in Christ,

Rev. Fr. Canice Chinyeaka Enyiaka
